Credit Card Sales Agreement/Transmission Warranty Agreement

We are a local dealer that sells used and recycled automobile parts. We do not sell parts to find out the trouble with your car. We do not trouble shoot cars or make recommendations of what parts to purchase to fix your car. We make the assumption that the customer knows what they need prior to purchase. All sales are final! There will be no credit card refunds or charge backs. The customer assumes all responsibility for parts ordered wrong or not needed.

******TRANSMISSION IS SOLD AS IS WITH NO WARRANTY OF ANY KIND******

Only sign this agreement if you have read, understand and agree to the above. Then, fax it back to 910-486-4753. We appreciate your business and thank you for your order.
